Right way to assemble Swachalay

Highlights of Swachalay:

- Installed and ready in less than an hour
- Lesser dead-weight: Almost 20-25% compared to traditional toilet structures
- Time bound mass-scale construction even with limited human resource
- Error-less system with modular, aesthetic construction
- Smooth panels give the appearance of smooth plastering on walls
- Green and sustainable, made from 35% Fly ash (Fly ash is a by product in Thermal Power Stations)
- Do it yourself, dry construction techniques: No use of bricks, sand, mortar or water
- Non-corrosive and all-weather resistant
- Requires minimum labour

7 reasons to install Swachalay:

1. No wastage of construction materials on site
2. Hassle-free mobility
3. Easy storage of materials on site
4. Non-corrosive
5. All-weather resistant
6. Attractive & maintenance-free
7. Easy to relocate

Swachalay green toilets are ideal for the Swachh Bharat Abhiyan. Just contact us at the below mentioned address and we'll be happy to offer this revolutionary concept to you.
