**Commenting on the results and performance Mr Satyen Patel, Managing Director of Sahyadri Industries Limited, said:**

*During FY25, our performance was impacted by subdued demand conditions, resulting in a 4.6% decline in total income to ₹608.8 crore. Despite the challenging environment, we made notable progress in debt reduction, leading to a decrease in finance costs.*

*EBITDA for the year stood at ₹58.0 crore, with margins at 9.5%. We faced margin pressures primarily due to pricing challenges in the domestic market. However, the stability in raw material prices for the entire year supported our efforts to maintain overall cost control.*

*Throughout the year, our focus remained on strengthening the balance sheet and enhancing operational efficiency. The company successfully improved its debt-to-equity ratio from 0.32 to 0.21 by repaying a portion of its outstanding debt.*

*Capacity utilisation for FY25 stood at 68%. As demand recovers in the coming quarters, we are confident of improving utilisation levels going forward.*

*In recognition of the company's performance, the Board of Directors has recommended a final dividend of ₹1 per share of face value ₹10 for FY25.*
